I. System of contest:

First day of tournament (Saturday) :

Every team plays match against each other team in a group. Each team plays seven matches which last 15 minutes (without breaks and the change of football pitch). Teams which take positions from the first to the third will be promoted to the Champions League and teams which take positions from the fourth to the eighth will be promoted to the European League.

Second day of tournament (Sunday)

Champions League

The first three teams from groups A and B create the group : “the gold group one”. The first three teams from groups C and D create the group : “the gold group two”. The points which will be scored on the first day during games in groups (but only matches among others), will be counted on the second day. Teams which are in ‘the gold group one” and “ ‘the gold group two” play three matches which last 15 minutes without breaks and the change of football pitch. Teams which will be promoted from group A play with teams which will be promoted from group B. Teams which will be promoted from group C play with teams which will be promoted from group D.

The fourth game to take a position in tournament. The team which plays three matches in ‘the gold group one” will take the sixth position in scoresheet, plays with the team which take the sixth position in ‘the gold group two” to take the seventh and the twelfth positions. The same situation: the teams which will

take the fifth position play to take the ninth and the tenth positions etc. , to take the seventh and the eighth positions, to take the fifth and the sixth positions, the small final to take the third and the fourth positions and final to take the first and the second positions. In case of a draw the penalty kicks will be decided the round of three, later all the way of one- each of the penalty kick must be kicked by different player. The matches last 15 minutes without breaks and the change of football pitch.

The European League

Teams which on Saturday take from the fourth till the eighth positions in groups A, B, C, D will play to take from the thirteenth till the thirty second positions. Teams which after group games (in groups A, B, C, D) will take the eighth positions play against each other to take from the twenty ninth till the thirty second positions (it will be the eighth group). The teams which take the seventh positions (the group 7) play to take from the twenty sixth till the twenty eighth positions etc. until take from the thirteenth till fifteenth positions. To sum up, every team will play 3 matches which will last 20 minutes.

Attention!

On each stage of games about sequence in a group will decide:

1. The number of scored points (a win- 3 points, a draw - 1 point, a defeat - 0 point)
2. The score of the head-to-head (by two teams with the identical number of points). In case when three teams will have the same amount of points, the "small table" will be drawn up. The score will be considered(among these teams) and later will decide:
3. A goal difference,
4. More scored goals.
5. Fewer lost goals.
6. Drawing.
